NOVICE OR INEXPERIENCED AUCTION BUYERS

Listen Carefully!! When groups of items or like items are offered the auctioneer will specify the terms prior to the sale. **Watch out for sets of chairs, glasses, dishes, etc. Quite often items are sold by the piece, times your bid!** For instance a set of chairs offered has six chairs in the set. That set will be sold by the piece, times 6. (You bid \$50 times 6 = \$300.) You are not spending \$50 but \$300! **Pay attention!** You are obligated to pay for that purchase even though *you may not have heard or thought you understood!* **What the auctioneer announces stands.** We want you to have an enjoyable experience with no disappointments.
